Dear Customer:

Enclosed is a SCHOOL DEFERMENT for the National Guard Educational Assistance Program (NGEAP) or New Economy Technology Scholarship Program (NETS) serviced by American Education Services (AES). Please read and complete the entire form and return it to our office. In order to be eligible for this deferment, the primary borrower must be enrolled in a full-time course of study at a Department of Education approved school.

In order for this deferment to be approved, you must list the beginning and ending dates, include certification by the appropriate official, and sign the document.

A deferment cannot begin more than six months prior to the date AES receives the form. If your eligibility for deferment extends more than six months, you must provide verification of your status every six months from the date your current deferment ends. If you are no longer eligible for deferment, you must notify AES immediately for repayment terms or other possible options.

Interest will continue to accrue during the deferment. If you do not pay this interest it will be added to the principal balance of your account on the deferment end date.

If you have any questions, please contact our office. Loan Counselors are available Monday through Friday, from 7:30 a.m. to 9 p.m., ET.
